**Questions:**

- Mrs. Raymond: any updates on Marching Band?
  - Mr. Harris: working with other 2 high schools to possibly starting in the Spring; plans being made but nothing set in stone; possibly parades?
- Mrs. Gupta: Is marching band going to be in/outside?
  - Mr. Harris - still trying to figure it all out; pep band ideas and other activities welcome
- Mrs. Fowler: Mr. Harris, when will you have the HMB meeting for Parents that you referenced in your meeting with the kids?
- Mrs. Fowler: Virtual band practices like some colleges are doing? For practice, for engage with one another, for musicianship, etc.
  - Mr. Harris - possibly having Zoom sectionals zero hour starting January
- Mrs. Fuller: For the money that was paid for Summer Camp uniforms will that on the account? If it will be used for this summer coming up, what about sizes for the students. I had a very difficult time getting help originally .
  - Shelley: We cannot refund summer uniform fees, but next year we might do a "swap" of some sort so we can make sure everyone has the sizes they need.

Company will not honor refunds/exchanges. No summer uniforms have been handed out yet; they are still with Krsiti Gugel

- Lisa: How are we handling scholarships from last year? Do students submit a request to receive their scholarship?
  - Chris - follow past procedure - once student is enrolled in band class, they can contact the treasurer to pick up scholarship/award
- Jaime Priest: would VC students be able to join Marching Band/MB activities?
  - Mr. Harris - YES!
- Lisa & Chris give Mr. West a rundown of band scholarships
  - Mrs. Fowler - student funds can be passed down to siblings or another student when student graduates
